A farmer was brought before a provincial court for obtaining an agricultural prize on a bull and afterward selling the animal for nearly \$600, which he had represented as blooded stock, but whose dam, "Graceful." was fictitious, and whose grand-dam was a common cow.

A man brought a suit for four shillings against the Metropolitan railroad company of London—the amount paid by him for a cab from Richmond—because the train on which he was fiding stopped before it reached the Richmond statich and prevented his reaching a Southeastern railroad train in time. The magistrate dismissed the case on the ground that if the train hadn't

## NEWS SUMMARY.

The following communication was sent to The following communication was sent to the Main's senate by James D. Lamson, who had been elected president of that body by the Fusionists; "I have the honor to announce that, by a careful examination of the constitution, as interpreted by the supreme court, in view of the fact that the office of governor has become vacant, it becomes my imperative daty, as president of the senate, to exercise the office of governor until another governor is quarified. It therefore becomes my duty to interm your honorable body that, in accordance with the provisions of the constitution, and in obedience to the imperative mandates.

A man brought a suit for four shiltings against the Metronolitan railroad company of London—the amount paid by him for a cad from Richmond—because the train ou which he was fiding stopped before it reached the Richmond static; and prevented his reaching a Southbeastern railroad train in time. The magistrate dismissed the case on the ground that if the train hant is toroped there would have been a collision, and the plaintiff would probably have not been there to bring any suit at all.

Another story is of a pickpocket who was seen to take a pocketbook out of a lavy? Boak pocket short un away.

When caught he threw himself on his kness and begred to be let go. He had spens seventeen years in prison, he said, and he police wouldn't; whim a change of the sum of the police wouldn't; whim a change of the content in a rought of the police wouldn't; whim a change of the document, in which he said the spens of the document, in which he said the first patient ever issued in this counter.

What a Child's Kist Could Do. In prison at New Bedrord, Ma

He blushed like a woman, looked into her innocent face, sud then kissed her cheek, and before he reached the foot of the stairs again the man had tears in his eyes. Ever since that day he has been a changed man, and no one in the place gives less trouble. Maybe in his far away Western home he has a little Katie of his own. No one knows, for he never reveals his inner life; but the change so quickly wrought by a child proves that he has a heart, and gives hope that he may forsake his evil ways.

A Medicine Should not be Guaged
By the suddenness and violence of its effects.
Self-evident as this proposition would seem, there are many foolish persons who are content only with a remedy that acts alruptly. The pill and other nostrum vendors who, trade upon the credulity of this class, find their "best holt," as poor Artainas Ward termed it, in the sale of violent purgatives. So long as they wrench the bowels of their dopes sum-ciently, they are pretty sure of acertain measure of success. If instead of such pernicious are relieved, but always gently, by this pleas are relieved, b
